Hrorek, King, and Caoilfhionn, Queen, Outlands

Mighty Outlands! The peaceful reign of King Hoegaarden II and the beautiful Queen Chiara has passed into the halls of memory, where they will be forever honored. Hearken now to the words of King Hrorek and Queen Caoilfhionn. We would thank all who attended our glorious Coronation, and are forever indebted to those who made it such a perfect day. It was our great honor as the first order of business to bestow upon Hoegaarden and Chiara the titles of Duke and Duchess. Many warm congratulations to them both. As always, the hospitality of Drygestan was unmatched, the food was excellent, and the company fine. Our gratitude as well to the autocrat and all the generous volunteers who worked so hard to make Our coronation so enjoyable. Thanks also to all of the great Outlands warriors who showed both valor and chivalry on the field in honor of Her majesty. It is with these mighty warriors that we shall prevail when we meet our worthy foes again upon the martial field of Estrella War.

We are gifted not only with strong fighters, however. At al-Barran Arts and Sciences We were amazed and once again made proud. The quality and talent of our artisans is unsurpassed. With such artisans to compete in the finer arts at Estrella, glory is ours.

Warriors, artisans, and all good gentles with hearts noble and true helped make al-Barran's Toys for Tots a mighty success; many children who may not have had a toy to bring a smile to their face will have a happier holiday season for these efforts. True glory was achieved by all who participated in this honorable endeavor. Giving of one's self for the happiness of others is truly the noblest of all pursuits. Let their generosity serve as an example to all.

As We fondly recall these events, We also look forward eagerly to the upcoming opportunities we will have to celebrate with Our populace the holiday season. Her Majesty looks forward to celebrating the Yule with Their Excellencies Alexander and Mardanah and their fine populace, and then traveling on north to attend the Winter Festival of lights presented by Our Shire of Windkeep. As she travels north for celebration, I will be journeying south to join in the revelry and celebrate the Gleann Medonach Julklapp Feast.

At Les Tres Belles Hueres de Baron; We will be honored to receive the hospitality of Their Excellencies Massimiliano and Yazida as we feast in the fashion of the French Court in the 1400s.

The black and gold halls shall ring with joy and merriment as We celebrate Mid-Winter with Their Excellencies Ryan and Tana and the good populace of al-Barran. The following day We call upon all that are able to muster and join Us as We make ready for war!

Once again, We exhort you to make ready. The wheel of time is turning, and after the chill days of holiday mirth and pleasurable company does War approach. Warriors, sharpen your swords and ready your armor. Artisans, prepare your selves. All Our fine people do we call forth upon the field of battle. We call you to follow your Crown to War!

Hrorek
King

Caoilfhionn
Queen

Kingdom Seneschal of the Outlands

To the populace of the Outlands, Greetings;

I would like to thank the Honorable Lord Robert Marchet for stepping in as my emergency deputy while His Grace Kerold Hoegaarden was…otherwise occupied. As of December 1st, His Grace Hoegaarden will resume his position as my emergency deputy.
Robert's unwavering dedication to this office is only overshadowed by his consistently pleasant demeanor and boundless enthusiasm.

Their Excellencies of Citadel and Caer Galen have both announced that they will be stepping down. Each barony will be conducting a polling in the near future. This is always an exciting time for a barony, bringing new life and starting another chapter in the history of our kingdom.

The Outlands War Council is selling bandanas to raise funds for activities at War. By supporting their effort, you are supporting your Crown and Kingdom.

The Citadel has been granted the honor of hosting the Spring Crown Tournament for Their Majesties Hrorek and Caoilfhionn. Please be mindful that, as of the reign of Ibrahim and Ileana, Spring Crown Tournament now falls on the FIRST weekend of March (March 4-5, 2006), and NOT the second weekend. Look to Their Majesties for further details as the time draws near.

Amitie c'est le Roi,
Mistress Leah de Montgomerie of Lark Hall

Kingdom Minister of the Lists

To the populace of the Outlands, Greetings;

I have recently found myself enjoying the good company and hospitality of Drygestan at Their Majesties' Coronation. Thank you to everyone who made this such an enjoyable event. Time with the Clan Tynker and their extended Shire family is always a joy.

On to some housekeeping…at Stag's Con, a new MOL handbook was signed, with a change in reporting deadlines. Tournament reports are now due within 14 days of the tournament. That is the only major change to the handbook, which is now available at the Kingdom MOL website, *http://www.outlands.org/lists/index.aspx*

Also, it has come to the end of the year, and it is time that I update the roster of local MOL officers. I would ask that the local seneschals contact me with the names and contact information for both the MOL and the emergency deputy. The easiest way is via email at *mol@outlands.org* but you can also reach me by phone at 505-334-1955 or mail at 24a CR 3004, Aztec, NM, 87410. I greatly appreciate your help with this. I remain,

As Ever Yours,
Lady Mariah Abramsdottir

White Stag Principal Herald

Greetings, fellow Outlanders!

Happy holidays! It's Doomsday season – and as a present to those holding heraldic office, you do not need to send a separate December report. (The Nov. report is due Dec. 10th as usual.) This is to give you all plenty of time to write thorough Doomsdays, which are due by January 15th. Branch heralds who do not turn in Doomsdays will be moved to at-large status, and their branches will be listed as having no herald.

All heralds' Doomsday reports should include:

-full roster information
-a summary of all your personal heraldic activity for the year
-any comments, questions, or suggestions you have for White Stag

Doomsdays for local heralds should include:

-a financial summary of all funds handled in 2004
-a summary of all submissions through your group in 2004
-a list of events held by your group during the year, and what heraldry happened at each
-a list of all awards given to people in your group over the year, and of all awards given in courts held in your group
-full roster information for at-large heralds in your group, and a summary of each of their activities; specify your emergency replacement deputy
-any goals for your office for the next year

Doomsdays for kingdom staff should include:

-a financial summary of any funds handled in 2004
-a summary of your office's activities for 2004
-roster information for your emergency replacement deputy
-any goals for your office for the next year

STAFF CHANGES: Stags Attire: Lady Lyonnete la Rousse takes on this position intended to promote heraldic display throughout the kingdom and to encourage branch heralds to obtain regalia for their offices. Welcome to the kingdom staff!

SPOTLIGHT: Coming back next month due to the length of this letter.

Pelican of the War Council

Hark! The echoes of drums begin to resound even louder across this mighty Kingdom. We are only a few months away from WAR!!! You have many hardworking individuals who are trying to make war enjoyable for all, and I would like to introduce a few more to you.

The treaty is in place and all fighting scenarios are set. Various groups are hosting war practices around the kingdom throughout this winter season to prepare for war. Thanks to Sir Mavriki and the rest of the council for advising TRM and TRH before and during Treaty. The scenarios seem to be designed for massive carnage and fun; hopefully not in that order.

Master Gwilim is coordinating camping space for this kingdom. He has the difficult job of trying to divide up the land evenly amongst all the groups. Please contact him through your baron and baroness or head of household to ensure you have a spot in the reserved areas. He will be on site early so that you may find out where you will be encamped. Keep an eye out on the list for further updates from him.

Another person who is working hard for the kingdom is Lady Slaine. She is coordinating the volunteer workforce for war itself. She will be entreating all to help her fill the necessary slots with our personnel. She needs security, water-bearers, chiurgeons, heralds, and various other positions to be filled. Please help her show that the Outlands is full of great-hearted individuals. Volunteering is fun and earns your group a portion of profits from the war. It is also an excellent way to make friends.

Stay tuned for more details regarding war. If you have any questions, please refer to the webpage link for the war council page for individual's contact information in whatever area you have a question.

Yours in Service to Crown and Kingdom
Mistress Joella of Blue Lion's Keep

Estrella Volunteer Coordinators

Greetings Outlands,

WAR is approaching and we are calling on all of our wonderful Outlanders to step up and volunteer. As always, we have pledged our support to the Kingdom of Atenveldt. Let's not let them down! Lady Astrid Hafdanarsdottir and I are here to ensure that does not happen. We are this year's Volunteer Coordinators.

Don't be timid! Volunteering at WAR is a great way to get to know new people or visit with old friends. We are not asking you to spend your whole event volunteering, but we are asking that everyone try to fit a 2 hour slot in. If you get there on Wednesday and leave on Sunday you have 120 hours to try to fit that in!

We would like to get a list going of people willing to volunteer, so when we find out the capacity in which we are needed we will be ready. Contact information is listed below. If emailing, please provide the following information: Name, SCA Name, Email address, Phone number, Volunteer Preference, Day and Time Preference

Security, gate duty, privy detail, marshalling, water bearing – there is something for everyone! I know some people might have already checked the box on the pre-registration form. If so, Atendveldt will probably contact you directly, but please still send us the information too.

Remember, for every volunteer hour you put in, the Outlands and your Barony, Shire, College or Canton benefits. Do not be the last one in your Barony to sign up!

Yours in Service,
Lady Slaine inghean Ui Sheanain

Kingdom Marshall of Fence

Greetings,

With the changes in the leaves come other changes. The tourney season is drawing to a close and it is time to hearken to your King and to prepare for Estrella. The treaty and rules are already available from the Estrella War Website – please read them. Be aware that push cuts – optional in our rules – are standard for Estrella and that both push and draw cuts will be 8"; our friends across the field from Artemesia and Atenveldt and our Caidan allies all are used to shorter than this so be aware as you train.

Additionally, the new draft of the rapier rules for the Kingdom were accepted as official by the Earl Marshal and the Crown at StagsCon in October. These are also available from the Kingdom website, and I ask that everyone familiarize themselves with them.

The changes are – with one exception – minor. The exception is a change to the authorization structure. The new structure is:

FIRST
- o FENCING BLADE (epee)

THEN one of (in no required order)
- o SECONDARY (Buckler, dagger, scabbard, case, cloak)
- o HEAVY RAPIER (schlager, del tin, hanwei, etc)

Anyone with all three authorizations will be safe in all forms of rapier combat practiced in this Kingdom.

Other changes are the official adoption of Society minimum standards for armor and that we will follow Society for the allowed blades in the classes we fight with; no fiberglass or foils will be allowed.

In Service
Don Charles Robert Blackstone

Kingdom Earl Marshall

The Outlands Prepares for WAR....

The treaty is signed, the Outlands marches to Estrella with our friends from Caid in February.

The commanders have been named:
- Overall General - Sir Lavin Longwalker
  - 2nd commander - Sir Bjarki Gullbjornsson
- Northern Regional - Sir Brenton Otakte
  - 2nd Northern - Sir Vladimir Ivanovitch Protzko
- Southern Regional - Lord Gunndiarfr Magnúsarson
  - Southern 2nd - Sir Conrade
- Central Region - Sir Gregor von Münchhausen
  - Central 2nd - Sir Quara Gan

So prepare your armor - Make sure it will protect you.
Prepare your weapons - Both for safety and to battle the enemy
Prepare yourself - Mentally and physically for a fun time fighting side by side with your kingdom and your friends.

Sir Mavrikii

Bonjour! Nous sommes en Paris, en 1405 Anno Domini*.....

The Ruling House of France, the House of Valois, is still smarting from the effects of their sound defeat by the English at Crecy in 1346, and at Poitiers in 1356, where the king was captured but not ransomed for some time. The current King and Queen of France, Charles VI and Isabeau, reign from palaces in Rouen and Paris, well attended by their children most notably the Dauphin, Louis, duc de Guyenne. The Great Schism has been in effect for 25 years, leaving Popes at both Rome and Avignon. Innocent VII has just been elected to the nearest Papal seat in Avignon; and he is attempting to heal the Schism to little effect. The Crusades are still an idea to be toyed with every few years, but no concerted effort to retake the Holy Land has been mounted in some time. The world is turning colder in the wake of the Black Death 50 years ago, leaving France's population nearly decimated; but this devastation has left the both the middle classes and the aristocracy with genuine opportunities for advancement. Bienvenue a Paris!**

Their Excellencies Massimilliano and Yazida, Baron and Baroness Caer Galen, would like to invite you to a spectacular day of Winter frolic, in the theme of the great city of Paris in the year 1405 A.D. In addition to the traditional elements of the Harp of Caer Galen Election, the Election for open Senate positions and possibly the election of a High Church Official, Caer Galen Musical Chairs, and the Captain of the City Guard Tournament, we are adding the following attractions of an Arts and Sciences Competition and other interesting contests to satisfy the whims of Their Excellencies and the Autocrats.

Arts and Sciences Competition: The A&S Competition will consist of two categories: Arts and Letters (Research Papers), any subject; and Open Medium, limited to the time period of 1400-1410AD. Documentation is encouraged, and please limit the documentation on the non-research paper categories to 5 pages. There will be one prize given by the judges, where documentation is required, and one prize awarded by populace choice, where documentation is optional. Please contact Baroness Morgan Rowanwaif at *arts@caergalen.org* for more details.

As winter closes in on the steppes, the season has come to warm ourselves by the fire and shelter ourselves in the company of our friends. Shake of the snow and join us in the Barony of al-Barran for our annual Midwinter event. As our theme this year is Hungarian, without a specific time-period, there is something for one and all. Come inside, and stay warm during the harsh winters of the steppes.

There will be a period Hungarian feast (which I have personally sampled), of incredible food and wide variety. Much of the feast will include sour cream so take care if you are lactose intolerant. We will have dancing, music, singing, as well as a silent auction to benefit the Outlandish Herald, and a snack sale. Merchants will be allowed this year, but remember to bring a space heater and an extension cord to stay toasty warm.

Buon Giorno one and all. The time is 1564 and Italy is seeing a change for the better. Michelangelo completed the dome of St. Peter's Church in Rome, Galileo Galilei was born near Pisa, the municipal palace of Genoa was built, and Francesco de' Medici became Duke of Florence. It is truly a time to rejoice and celebrate even here in the Citadel of the Southern Pass as we invite all to Citadel's 12th night – The Italian Renaissance.

To start the weekend's festivities we put forth tournaments of heavy and light at Tobin Park (right across from the hall) in hopes to display the prowess, skill, honor, and chivalry of the great fighters of the Outlands for all to see. During the tournaments don't forget to taste the exquisite donation lunch being provided by the wonderful Shire of Nahrun Kabirun with all monies going to the Kingdom Travel Fund.

Upon completion of the tourneys the populace shall take leave to prepare themselves for an evening of high court and a fine feast following at the Tobin Park hall. During the evening festivities there shall be a silent auction with all proceeds going to the Kingdom Travel fund and entertainment to keep one and all in fine spirits. Please contact Sheik Omar Mohammud Mirzazadeh at john.sandstrom@sbcglobal.net for more information about the silent auction.

Should this not be enough there will also be **WAR!** Practice on the following Sunday at Memorial Park, which will continue till the last man stops. So prepare your finest Italian Renn for a weekend of good friends and a grand time.

A History of the Outlands

Outlands 20th Year Celebration

In honor of the Outlands 20th Year as a Kingdom, the Outlandish Herald will be publishing interesting and fascinating facts about our Kingdom, culminating in the every exciting 20th Year Celebration, being held in Dragonsspine, July 28th to 30th, 2006, being auto-crated by Duchess Cainnleach Uiseir of Glendalough.

The first installment of the History of the Outlands is a listing of groups who are, or were, part of the Kingdom Outlands at one time or another in our history. This list is in no way complete, so if you see a group that is missing, or have incorrect information, please email me the updated information. Some of the information gathered over the next few months will be used in the gate book for the Outlands 20th Year Celebration Event.

The Board of Directors needs your help! We ask that you write or email the Board giving us your comments regarding any of the nominees on this list with whom you are familiar. While all commentary is more than welcome, we find it especially helpful to read your assessments of the nominee's abilities in areas such as working with diverse groups of people, understanding of varied aspects of the SCA, ability to plan and carry through projects to completion, ability to meet deadlines and keep up with correspondence, and past experiences in either SCA or modern world capacities that would be useful on a nonprofit corporation's Board of Directors. We also strongly encourage you to send us the name and contact information of anyone you feel would make a good candidate for the Board of Directors. All commentary is kept confidential, and new Directors never see the commentary made about them. Please address comments to the Ombudsman for Board Recruiting: Lis Schraer, 3651 Hartford St., St. Louis, MO 63116, or send them via email to *recruiting@sca.org*.
